

Get in touch with Chemistry and Biology actors !

PLENARY SESSIONS

Materials for health.
 New drugs for therapy.
 Theranostics : how to couple diagnosis by imaging with treatment.

ROUND TABLES

From the discovery in the laboratory to the startup.
 Interactions between industry and academic researchers: which expectations for which challenges?
 Patents : how and why?
 Publishing by using interdisciplinarity and how to achieve effective scientific monitoring on these topics.

RESEARCH POSTERS

STANDS

Registration deadline 15th May 2016

1st edition
